

The Federated Governing Body of Chertsey and Dorking Nursery Schools

STRATEGIC OVERVIEW 2025-2028

Building trust, empowering communities, educating all

Trust

Where every individual feels valued with a true sense of belonging

- Prioritise the wellbeing of the entire school community
- Provide relevant parenting support as early as possible so parents and carers can understand and learn to meet their children's needs
- Celebrate Equality, Diversity and Inclusion
- Develop Early Help offer for families

Community

Working collaboratively to create a lasting positive impact for all

- Networked into local area partnerships
- Responsive to local contextual needs
- Supporting local PVI and EY settings to share collective outcomes for the community
- Actively promote sustainability through Eco Schools
- Promote quality early years education through local and national partnerships
- Improving school environment to benefit whole community

Education for all

An education that meets the diverse needs of every child

- Provide individualised and bespoke education, prioritising those who need it most
- Children ready for the next stage of education and life, regardless of starting points and challenges
- Ensure provision is high quality at all times to support learning
- Valuing staff and promoting high quality training, development and CPD
