

SHARE A WAVE!

Along with other schools in the Dorking Schools Partnership, we are taking part in 'Share a Wave' to spread some friendship and positivity around our community.

We would like children at home to join in by making their own wave and putting it in their window. We hope to see lots of friendly waves appearing around Dorking!

Sharing a wave is easy! Just draw around your hand and decorate it, then display it in your window.

Dorking Schools' Partnership

Creating opportunities and providing care for our young people
